AT&T MOBILITY, LLC is proposing to install a self-supporting lattice tower at 19224 State Highway 59, Bowie, Jack County, TX 76230. The height of the tower will be 82.3 meters above ground level (420.3 meters above mean sea level). The tower is anticipated to have steady red lights FAA Style E (L-864/L-865/L-810). Interested persons may also review the application for this project at www.fcc.gov/asr/applications by entering Antenna Structure Registration (Form 854) file no. A1121285. Interested persons may raise environmental concerns about the project under the National Environmental Policy Act rules of the Federal Communications Commission, 47 CFR §1.1307, by notifying the FCC of the specific reasons that the action may have a significant impact on the quality of the human environment. Requests for Environmental Review

must be filed within 30 days of the date that notice of the project is published on the FCC's website and may only raise environmental concerns. The FCC strongly encourages interested parties to file Requests for Environmental Review online at www.fcc.gov/asr/environmentalrequest, but they may be filed with a paper copy by mailing the Request to FCC Requests for Environmental Review, Attn: Ramon Williams, 445 12th Street SW, Washington, DC 20554. A copy of the Request should also be provided to EBI Consulting at 6118009787-MKB, 6876 Susquehanna Trail S, York, PA 17403. 53cts

UPPER TRINITY GROUNDWATER CONSERVATION DISTRICT NOTICE OF PUBLIC HEARING

January 28, 2019 **NOTICE IS HEREBY GIVEN** to all interested persons in Hood, Montague, Parker, and Wise Counties, Texas: That the Board of Directors of the Upper Trinity Groundwater Conservation District ("District") will hold a public hearing, accept public comment, and may act to adopt the permanent District Rules regulating water wells within the boundaries of the District, including Hood, Montague, Parker, and Wise Counties, Texas. Prior to its adoption of these permanent rules, the District operated under its Temporary Rules for Water Wells, initially adopted by the District's Board of Directors ("Board") on August 18, 2008. The proposed permanent District Rules include without limitation the following: (1) classification of wells and applicable requirements for each type of well based on size, capacity, purpose of use of groundwater, and date of drilling; (2) requirements for registration and/or permitting of water wells, including Historic Use Permits and Operating Permits, and application requirements related thereto; (3) well metering, fees, and reporting require-

ments for non-exempt registered or permitted wells; (4) well location, spacing, completion, and minimum tract size requirements, and the process for seeking exceptions to any such requirements; (5) pumping reductions and other aquifer management measures to be implemented as necessary to meet desired future conditions for an aquifer or layer of an aquifer within the District; (6) requirements specific to wells owned or operated by retail public utilities; (7) enforcement policy and penalty schedule, including administrative and civil penalties for a violation of District Rules; and (8) hearings processes and procedures relating to permits and amendments to permits, rule-making, enforcement, and desired future conditions. These proposed permanent District Rules, along with any other changes to the proposed rules, may be considered and adopted without further notice or hearing based on comments received at the hearing. The Board may act at the hearing or at a hearing or meeting at a later time or date. This hearing will be held on **Monday, January 28, 2019, beginning at 4:00 p.m., at the District office located at 1859 West Highway 199, Springtown, TX 76082.** Any person who desires to appear at the hearing and present comment or other information on the proposed adoption of permanent District Rules may do so in person, by

legal representative, or both. Comments may be presented verbally or in written form. Limits may be placed on the amount of time that each person is allowed to present verbal comments. Persons interested in submitting written comments on the proposed amendments may do so by sending any such comments to P.O. Box 1749, Springtown, Texas 76082. The Board may act to adopt the rules as proposed or with additional changes based upon comments and discussion at the hearing. The hearing posted in this notice may be recessed from day to day or continued where appropriate. The public hearing is available to all persons regardless of disability. If you require special assistance to attend the hearing, please contact the Upper Trinity Groundwater Conservation District at **817-523-5200** at least 24 hours in advance of the hearing. A copy of the proposed permanent District Rules may be requested by email at Doug@uppertrinitygcd.com, is available for reviewing or downloading at www.uppertrinitygcd.com, and may be reviewed, inspected, or obtained in person at the District office located at 1859 West Highway 199, Springtown, Texas 76082. For more information, contact the District's General Manager, Doug Shaw, at **817-523-5200**. 53cts
