### BIDS

Montague County is seeking competitive proposals for the design, purchase, and installation of a 180KW backup emergency generator and 1,200 AMP Automatic Transfer Switch at the Montague County Courthouse Annex. Proposals are due on or before June 20, 2024 at 10:00 AM, and may be delivered to: Charley Lanier, Grant Coordinator, 11339 HWY 59 N, PO Box 416, Montague, TX 76251, or emailed to fema@co.montague.tx.us. The same email may be used for questions regarding this RFP. Proposals will be considered for acceptance by the Commissioner's Court on Monday, June 24, 2024 at 9:00 AM. Proposal documents and addendum can be downloaded by respondents from the county's web site at www.co.montague.tx.us under Public Notices & News. It is a respondent's responsibility to verify they have obtained all information before submitting a proposal. The County reserves the right to accept any proposal, to reject any or all proposals, to waive irregularities and/or informalities in any proposal, to make the award in any manner the County believes to be in its best interest, and to reduce or eliminate this purchase agreement without prior notice. 98-99c

**A Help Button Should Go Where You Go!**

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
